Completing the picture downstairs is a large bedroom with double mirrored robe and split system plus bathroom with shower, vanity and WC.

Upstairs is the master bedroom with massive walk in robe and ensuite bathroom with separate WC. A generous living area with balcony access separates the 5 bedrooms in total situated on this level. The 4 'minor' bedrooms are all super spacious and all have built in robes. The balcony enjoys inland views and provides an additional entertaining space that is sheltered from the afternoon sea breeze. A triple linen cupboard is a handy addition to this level (there is also a double linen cupboard downstairs too, plus under stair storage)

Outside there are 2 large covered entertaining areas plus plenty of room for the kids to play/ride around on scooters and bikes. The gardens front and rear are low
